

SAWO FINLAND - MINI SAUNA HEATER (PREMIUM)

Manufactured to an Australian specification, the Mini sauna heater is the best solution for small sauna rooms (1-2 persons). Its compact body and reversible built-in control panel can make the most of a very small space. The control panel can be placed on either the left or right side of the heater to suit the room layout.

FEATURES . . .

- Finnish designed and engineered
- Manufactured to an Australian Specification (AS)
